

CarolinaCon 2008

Call for speakers

Regional Technology Conference

Feel like sharing some knowledge?

We invite people with an interest in technology to present their ideas and otherwise participate in our conference. We are looking for a diverse range of topics so please don't hesitate to propose your idea to us.

Previous topics have included: Reverse Engineering, Nanotechnology, DNS Hacking, Gender in Hacking, Building Competitive robots, Enforcing the GPL, Ethics in Hacking, Examining the Online Black Market, History of Pirate Radio, and much, much more!

What: CarolinaCon 2008 Call For Speakers

When: March 28-29, 2008

Where: Holiday Inn in Chapel Hill
Off of Fordham Blvd.

Web: <http://www.carolinacon.org>

E-mail: speakers@carolinacon.org

Other: As a nonprofit we can't afford to pay you for speaking but you do get free admission to the conference, a free shirt, an invite to a private soiree during the conference, minimal fame/glory, and mad props from the organizers.

How: Email speakers@carolinacon.org with the following information if you are interested:

- Your name and/or handle
- A title for the presentation
- Estimated running time of the presentation
- A brief topic abstract
- Information for contacting you
